DYNO-TAB® Power Booster

Fuel Stabilizer

Keeps Stored Fuel Fresh

No Bottle! No Spills! No Measuring! No Mess!

For Retail

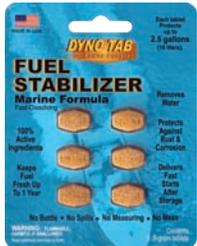

No. 64272
DYNO-TAB® FUEL STABILIZER, 2-Tab Card
Each tablet treats 2.5 gallons (9.4 liters)
Bulk Pack:
Inner Carton Contains 48 Cards
Master Carton Contains 6 Inner Cartons, Total 288

Dyno-tab® Stabilizer ships with Snap-on® generators and gas pressure washers to Costco and other retail stores.

Visit www.alltradetools.com for more information.

No. 64274
DYNO-TAB® FUEL STABILIZER, 8-Tab Card
Each tablet treats 2.5 gallons (9.4 liters)
Bulk Pack:
Inner Carton Contains 24 Cards
Master Carton Contains 6 Inner Cartons, Total 144

No. 64276
DYNO-TAB® MARINE STABILIZER, 6-Tab Card
Each tablet treats 2.5 gallons (9.4 liters)
Bulk Pack:
Inner Carton Contains 48 Cards
Master Carton Contains 6 Inner Cartons, Total 288

Any of today's fuels - unleaded gasoline, oxygenated gasoline, diesel fuel and even heating oil - begin to deteriorate after as little as 30 days. This deterioration leads to the formation of gum, varnish and other impurities in the fuel, which result in hard starts and intermittent shutdowns. Smoke and rough idling are also characteristic of contaminated, fouled fuel.

Today's fuel actually degrades faster than older generation fuels. That calls for an industrial grade fuel stabilizer to provide real protection. Dyno-tab® Fuel Stabilizer is a 100% active additive in a fast-dissolving tablet. That equals 100% protection for seasonal and stored engines.

A proprietary ingredient in Dyno-tab® Fuel Stabilizer adds power and performance and can increase fuel economy when the engine is subsequently restarted.

- LAWN MOWERS
- SNOWMOBILES
- SNOW BLOWERS
- JET-SKIS
- POWER WASHERS
- FARM EQUIPMENT
- CHAIN SAWS
- PORTABLE GENERATORS
- FUEL STORAGE CANS
- MUCH, MUCH MORE!

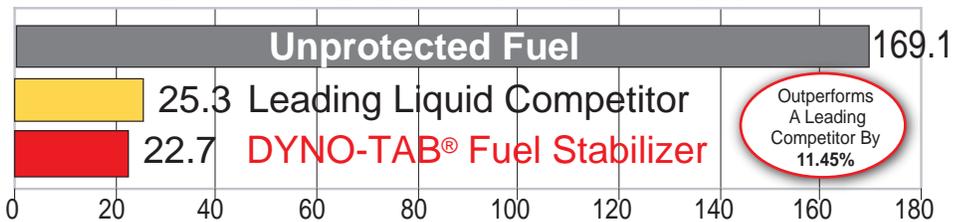

Dyno-tab® Fuel Stabilizer protects against the deterioration of fuel.

As an added bonus, Dyno-tab® Stabilizer protects critical fuel delivery systems against rust and corrosion during storage.

For Methanol, Reformulated, Oxygenated and Regular Fuels

Reduces Gum Formation by **86.58%**

ASTM D-873 Gum Formation Test

Dyno-tab® Fuel Stabilizer is designed for use in all stored fuel - on-board tanks or storage cans. In ASTM oxidation tests, Dyno-tab® fully stabilized fuel out-performed a leading competitor by 11.45%.

Now Available For Industrial Applications

No. 64005
DYNO-TAB® FUEL STABILIZER - 25
Each vial treats 25 gallons (95 liters)
Vial contains 5 grams.

No. 64012
DYNO-TAB® FUEL STABILIZER - 60
Each vial treats 60 gallons (227 liters)
Vial contains 12 grams.

No. 64030
DYNO-TAB® FUEL STABILIZER - 150
Each vial treats 150 gallons (568 liters)
Vial contains 30 grams.

■ For all stored or infrequently used equipment and vehicles.

■ Eliminate Hard Starts

■ Reduce Maintenance Costs and Down Time
